

For my worthy Friend, Dr. Love, Master of Benet College, 'Cambridge:' These.

'London,' 14th March, 1648.

SIR,

I understand one Mrs Nutting is a suitor unto you, on the right of her Son, about the renewing of a Lease which holds of your College. The old interest I have had makes me presume upon your favour. I desire nothing but what is just; leaving that to your judgment; and beyond which I neither nor at any time shall move. If I do, denial shall be most welcome and accepted by,

Sir,

Your affectionate servant,

OLIVER CROMWELL.
